Kempten Leutkirch

Kempten Leutkirch
Flugplatz 16
88299 Leutkirch im Allgäu

info@helikopterflug.ch

The Allgäu calls - and Leutkirch is caught in the middle. In a extensive level the small dreamy airfield is located. This place is an excellent starting point for flights over the beautiful Allgäu countryside, but also for flying over the Alps, Lake Constance region, or the Bavarian and Württemberg royal castles.
