The starting point of your helicopter experience is the Carinthia Airport Klagenfurt. The sightseeing flight takes you over the largest lake in Carinthia, the Wörthersee. It lies in a depression of the hilly landscape of the Klagenfurt basin and extends from the bay of Velden to Klagenfurt.

Through the panoramic windows of the helicopter, they can see the backdrop of the television series "Ein Schloss am Wörthersee", which was shot here at the beginning of the 90s. Continue to the south. There, a wonderful insight into the Rosental and the Karawanken opens up. Past the Pyramidenkogel you will fly past the city of Klagenfurt back to the airport.

The route can be discussed with the pilot directly on site. This depends on the weather and of course the flight safety, otherwise the pilot will try to fulfill your wishes in compliance with the flight time.

Duration of the experience:
The flight time is 20 minutes.
