We start at the airport in Friedrichshafen. Immediately after the start you will see the Lake Constance, which is surrounded by the old town of Meersburg. Next you go on the shores of Lake Constance to Uhldingen and direction Mainau Island before the island Reichenau marks our turning point. The old town of Konstanz impressed with the unique location in the lake. On a clear day the Santis with the Swiss Alps to the bet shines before it slowly goes back to the airport.

Alternatively, we can also direction Lindau and Bregenz and the Pfänder fly with you. This route is also very scenic worth seeing.
